MEMORANDUM FOR: STANDING COMMITTEE MEMBERS OF THE IAC
SUBJECT: Status Reports of Intelligence Production
ENCLOSURE: Draft of Proposed Interagency Operating
Procedure with a sample form

1. CIA and State have been exchanging information on intelligence produced during each month, in production, and projected as of the last day of the month. New intelligence projects are currently reported on a form like the enclosure.

2. This has proved so beneficial that it is now thought desirable to extend it to the other producing agencies. A draft of a proposed Interagency Operating Procedure is enclosed for your consideration.

3. At your early convenience, kindly let COAPS have your views on this subject.
